- When we look at Biblical History is always appears that God is preparing a place for Man.
- Eden, Canaan, Jerusalem all showcase the same pattern of Gods presence, purpose and productivity, abundance, rest and security, and community.

What does it mean for humans to flourish?

- **Gods Presence**
  - The foundation of all human flourishing we do not and cannot flourish without HIM
- **Purpose and Productivity**
  - God put Adam in the Garden to dress and keep it. He gave him responsibility.
  - The communal sense of responsibility where our work benefits not only us but others as well.
- **Abundance**
  - Scripture shows there are valuable natural resources present. Gold, Bdellium, Onyx
- **Rest and Security**
  - God rested, so we rest. It wasn't merely a suggestion. Its how we remain fit to continue the work. God even gives the command for the LAND to be allowed to rest.

- **Community**
  - God says its not good for man to be alone. He creates woman. He introduces community in a broad sense. Theres the marital relationship between Adam and Eve to consider.

Human flourishing exists from the beginning

- This is pre-fall, before sin
